

ONE FLEW OVER THE CUCKOO'S NEST:

Section Paragraphs

Prompt: If we look at the ward in Ken Kesey's 1962 novel One Flew Over The Cuckoo's Nest as a microcosm of society, where we have behavior that is expected and behavior that is not expected, what does this section of the novel tell us about how the world treats those who do not meet expectations? What happens to those who do not fit into society? Refer to at least 1 event from this section, using at least 1 piece of evidence (a quotation) to support the explanation of your point.

Directions: For each section of One Flew Over The Cuckoo's Nest, you will write a paragraph (at least 8 sentences) in response to the prompt above. Please use MLA format and write your paragraphs on separate sheets of paper, though you may write on both sides of the paper. Title each paragraph with the pages you're writing about followed by an original title that reflects the content of your paragraph (e.g. 9-41: Chocolate Chip Cookie Wars). By the time you finish reading the book you will have 8 paragraphs. Your ideas about this prompt will develop over the course of the novel, so don't worry if you end up disagreeing with yourself or begin to question something you wrote earlier.
